

DUY KHANG NGUYEN

WEB DEVELOPER INTERN

Male duykhang02vnn@gmail.com 0969588280 28/10/2002 Co Nhue, Bac Tu Liem, Ha Noi

OBJECTIVE

As a Web Developer intern, I aim to join Viettel Telecom to apply my knowledge of NestJS, VueJS, ReactJS, and Laravel to real-world projects. In the next 6 months, I am committed to being an active member, successfully completing tasks, and quickly adapting. In the long term, I plan to participate in larger projects, gain leadership skills, and contribute to building a strong software development team.

SKILLS

FRONT-END

- Languages: HTML/CSS, Javascript, Typescript
- Library: ReactJS, TailWind UI, Ant Design
- Framework: VueJS

BACK-END

- Languages: Node.js, PHP
- Frameworks: NestJS, Laravel
- Security/Authentication: JWT
- Architecture: API Gateway

DATABASE

- SQL: Microsoft SQL Server, MySQL
- NoSQL: MongoDB

TOOL

- Github
- Postman
